Fall Issue 2024

## A Letter from Our Directors

Greetings from Vermont!

As the summer sun sets on another wonderful season at Camp Lochearn, we want to take a moment to reflect on the incredible experiences we've shared. This year, our campers and staff truly embodied our core values of LOVE, INTEGRITY, FRIENDSHIP, and EXCELLENCE. Whether it was during spirited campfires, Blue-Green events, or while participating in the over 40 activities offered at Lochearn, the laughter and joy echoed throughout our beloved grounds, creating bonds that will last a lifetime. These friendships empower our girls to make good choices and cultivate self-confidence, nurturing the happy spirit that defines their camp experience.

Looking ahead to the upcoming year, we are excited to build on this foundation and continue fostering the growth and development of each camper. We encourage everyone to hold onto the bonds of friendship and the warmth of camp laughter close to their hearts, as these memories serve as a source of strength and encouragement. As we plan for Summer 2025, we are committed to providing an environment where our values shine brightly and where each girl can thrive, both in and out of the camp setting.

Thank you all for being a part of the 2024 Lochearn experience. We can't wait to see you in 2025!

Warmly,

*Eliza & Ann*

*Thank you!*

To our Camp Lochearn parents and families - Thank you for your referrals and your kind words helping to introduce new lassies to the Lochearn family. We appreciate your continued support!

STAFF SPOTLIGHT

Camp Lochearn Assistant Director: Georgia Tolley

Georgia is often the first person you will encounter when contacting Camp Lochearn. She is the friendly voice on the other end of the phone and the logistical master of details behind the scenes. One of our key point people for enrollment, Georgia is essential in managing the camp office during the year and getting campers ready for the summer.

Georgia has spent her entire life within the camping community. Her mother, Barbara (Ann's sister), was born during a camp season in the 1950's and came straight to camp at 3 days old. Georgia followed in those footsteps, also being born during the camp season while her mother was working as a Girls Head Counselor, and Georgia came straight from the hospital to camp at 3 days old too! Niece to Ann and cousin to Eliza, Georgia's love of camp certainly runs in the family!

When not at camp, Georgia lives in Charlotte, North Carolina with her husband, Jon, and two children: Seamus who attends a nearby boy's camp, and Fiona, who is a Lochearn Lassie. Camp Lochearn is lucky to have Georgia's experience and talents on our year-round leadership team!
