Winter Issue 2024

A Letter from Our Directors

As we reflect during the winter months, we are filled with gratitude for so much, especially the support of our camp families. We are thankful for each of you who trust us to care for your daughters and help them grow through the camp experience. Your kind words and the referrals you share with other families mean the world to us, and we are honored to have you as part of the Lochearn community.

We are busy planning for our best summer yet in 2025, and we cannot wait to welcome our campers back to beautiful Lake Fairlee! We welcome our first time campers with kind and open Lochearn arms, and we are thrilled to have so many returning campers for another fun-filled summer! With exciting new activities, excellent staff, delicious food, and endless opportunities for fun and adventure, we are confident this summer will be exceptional. Every year, we aim to create a space where each camper can thrive and feel empowered, and we are thrilled to offer a camp experience that inspires growth, friendship, and lifelong memories for all our Lochearn lassies.

Thank you for being such an integral part of Lochearn. Your continued support is what makes everything we do possible, and we are grateful for the trust you place in us year after year. We look forward to another incredible summer together and to seeing the joyful faces of our campers as they return to camp!

With a kind and caring heart,

Eliza & Ann

Camp Lochearn Head Chef: Patience Delaney

Camp Lochearn has been incredibly lucky to have Thetford, Vermont native Patience Delaney at camp for the past 10 years! First gaining experience through her family's catering business, Patience has done everything from being a lead cake decorator, short order cook, and pastry chef to working with Food Network stars and Disney. She received her BS in Baking and Pastry from Johnson & Whales University - Rhode Island and has been cooking up tasty treats for our Lochearn community as our Head Chef.

Patience is joined at Camp Lochearn by her husband, Sean, who celebrated his 5th summer at Lochearn in 2024. Baby Peter was born in December 2023 and is a camp favorite! When asked what her FAVORITE thing is about Lochearn, Patience said: "The girls! They bring me back every year. Watching some of them grow up at camp and become wonderful young ladies is a blessing."

STAFF SPOTLIGHT

We are lucky to be located in the beautiful state of Vermont where **garden fresh foods** are part of Vermont life.
